## A Quick Student Guide to SMHW

What is SMHW?

SMHW = Show My HomeWork

Home Learning tasks which have been set will be added to the school's electronic homework calendar - 'Show My Homework'. SMHW provides a simple and organised way of monitoring what home learning has been set and when it is due.

## Logging On:

You can access your SMHW account by selecting the icon on the school website or by visiting the SMHW website directly: <u>https://woodbridgehigh.showmyhomework.co.uk/</u>

1. Click on the SMHW button

to search by year group, teacher and class. The due dates for homework tasks are indicated.

Students will be able to log in using the same username and password that they currently use to access the school computers. If you encounter any problems with this then you will need to contact Miss Jones in the Data Office.

## Personalised Homework Calendar:
