

Welcome to Firefly!

Replacing ShowMyHomework and doing lots more!

What's Firefly?

- Firefly is a learning platform that enables you to learn more independently and collaboratively.
 - Everything in one place, all the time
 - More visible feedback
 - Helping your organisation
 - Integrated with Google Docs and Office 365

The screenshot shows the Firefly student dashboard for woodbridgehigh.fireflycloud.net. The interface features a top navigation bar with a 'Set a New Task' button, 'Bookmarks', and 'Messages' links. Below this is a main navigation menu with icons for Dashboard, Resources, Planner, Tasks, Markbook, Insights, and Parents Booking. The main content area is divided into several sections: a 'Messages' section with a 'Send Message' button and a message icon, indicating 'You have no new messages'; a 'Tasks' section listing two tasks with progress indicators (Marked, Handed in, Total) and due dates; and a 'Your Two Week Timetable' section showing dates from Wednesday 01 to Thursday 02, with a 'See more events' link. A 'Bookmarks' section on the right lists 'Newest Recommended Personal Bookmarks' including 'Business & Economics > Mr', 'Sixth Form', and 'View All Bookmarks'.

- **You can now mark the task set by you from Mr Portnoi as 'Done'**

Using the app

- Next year there are no physical student planners so it's important to know how to use the app on your mobile phones/tablet devices to see all the tasks you have due.

Installing the app

IOS (Apple)

- Go to the app store and search for '**Firefly for Students**' then click '**Get**' then click '**Install**'
- You might be prompted to enter your iCloud password.

Android

- Open the play store and search for "**Firefly for Students**" then select '**Install**' then choose '**Accept**'

Logging into the app

- Enter the school code **WOODBIDGEHIGH**
- Now enter the previous log in information you set up and log in
- You can now explore to see your tasks, timetable and links to the main resources area for different subjects
