Dear Parent / Carer,

Please find attached our Parents' Handbook for this academic year. The purpose of this document is to explain some of the key policies and procedures that the school has in order to keep our young people safe and help them be successful. Please read the handbook carefully and put it somewhere safe so that you know where it is in case you want to refer to it in the future.

Thank you for your support of the school and your cooperation in promoting the school's policies and procedures. It is only through this collaboration that we are able to do our best by the children in our care. I also draw your attention to our Parent Charter on page 4. This sets out on one side how parents can effectively support the school and their child's education. Please follow it as best you can. We will also shortly be sending you a Parent Partnership Policy and Abusive Visitors and Parents Policy.

A reminder that we have our annual open evening for prospective students and their parents next Thursday, 19th September. This is a very important event in the school calendar. Please encourage your son or daughter to be involved in this, as our students invariably create a good impression on visitors.

Yours sincerely,

Steven Hogan
Headteacher
