Dear parents and carers,

I am writing to let you know that I am resigning as Head Teacher of Woodbridge from 31st August 2018.

I have been privileged to be Head Teacher of this school since September 2003. It is a very fine place. It has a body of superb staff who are committed to comprehensive, high quality education. The students are an excellent body of people; public spirited, highly able, ambitious and compassionate about members of their community. The school is overseen by the governing body, a committed group of utmost principle and positive outlook. Most importantly, we have the support, confidence and active involvement of our parents and carers. Between us, we have generated most considerable 'pride in achievement'.

My job at Woodbridge has been by far the most meaningful work in my career to date. It has been my passion, and the most wonderful opportunity to lead a gloriously comprehensive community for a sustained period of time. I have been blessed to have had the opportunity in the first place, and have carried out the role to the very best of my ability. I will treasure very many memories of the people in this school community.

Woodbridge High School will be advertising soon for a new Head Teacher. The school is in a very good situation. We have a reputation for academic challenge and pastoral care. We have a strong community of very rich diversity. Results continue to be strong. We have the support and faith of our parents. We have a staff who are committed to the very best. I will continue to lead the school with love and energy for my remaining time in post.

The school will share the news of the new Head Teacher when the appointment is made. In the meantime, and in any case, it is business as usual. I continue to want every young person to fulfil themselves completely in this gloriously comprehensive, diverse school.

I extend my best wishes and thanks to you, and am appreciative of your continued active part in your child's education and wider fulfilment.

Thank you.

Yours sincerely,

Andrew Beaumont
Headteacher
