Hello New Year 7s!

I am excited to welcome you to team Woodbridge and I know many of you are excited to join us. We can't wait to meet you all and welcome you to our family!

Transition is going to be a little different this year but don't worry we have lots of ideas to help ease any nerves you might have and hopefully answer any questions you might have about joining us. I have been working hard with my current year 7s to put together lots of questions that new students often ask. These will be available on the school website soon for you to look through. There will also be some short videos from my awesome students who are really keen to support you through this. This time last year they were at primary schools and looking nervously towards September and they are gutted they can't return to their primaries to visit you.

Some of you will have specific questions and we will make sure you get the chance to ask these to me or to your form tutor before you join us in September.

Woodbridge is a big school, filled with energy and excellence and I know this is a little scary for you but our strength is our diverse pupil base and it is tough not seeing their cheeky smiles each day! I can't wait to return and hear all about how they have spent their lockdown and what they have learned. They are really keen to help and support you in your Woodbridge Journey.

Year 7 is a transition year, not a transition term or a transition day and I am here to support you through each step. I am passionate about ensuring you are happy at school, mental and emotional wellbeing are the base for academic progress and we work hard to develop rounded individuals, not students that can just pass tests. There will be laughter, smiles, tears and tantrums (and that's just from me) as you grow from primary child to young adult under our care and I cannot wait to see what potential you have.

At the moment we are busy talking to the primary school and learning all about you so we can make sure we have everything set up for your arrival. Until then keep an eye on the school website for more updates.

I look forward to meeting you, until then in the words of Bob Marley 'Don't you worry, about a thing. As every little thing is going to be alright.

Ms Moore
Year 7 Coordinator
Woodbridge High School
