

Distance Learning using Games Consoles

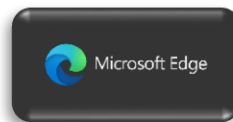

It is possible to access live lessons and distance learning software using an Xbox or PlayStation games console. You will need a keyboard with a USB lead to plug into the console. The game controller is the mouse. A headset with microphone will allow you to hear the teacher and talk to the teacher.

See below for how to access distance learning for each console:

Xbox

1. Plug a keyboard into the Xbox USB slot or use the on-screen keyboard
2. Go to my games and apps
3. Find and select Microsoft Edge
4. Navigate to your online learning platform, e.g. Google Classroom or SMHW

PlayStation

1. Plug a keyboard into the PlayStation USB slot or use the on-screen keyboard
2. Press the PlayStation logo on the controller
3. Go to the library then 'games and applications'
4. Go to applications and select the 'www' internet browser
5. Navigate to your online learning platform, e.g. Google Classroom or SMHW
