APPENDIX C: Lettings' Checklist for Hirer (as discussed with the member of site staff on duty) **pages 10-11**

1.1 INTRODUCTION

The Finance and General Purposes Committee of the Governing Body, at their meeting on 28th April 2022, adopted the policy set out below.

The school recognises that its premises are a valuable resource within the community and welcomes the opportunity to enable others to benefit.

1.2 DEFINITION OF A SCHOOL LETTING

A letting is defined as 'any use of the school building and grounds by parties other than the school'. Use of the premises for activities such as staff meetings, Governing Body meetings, parents' evenings/meetings, or where pupils are supervised by school staff, are considered school-related and do not require a letting agreement.

1.3 MANAGEMENT OF LETTINGS

The Governing Body has delegated the responsibility for lettings to the Head teacher. The Head Teacher has delegated this responsibility to the School Business & Finance Manager on a day-to-day basis.

A record of lettings will be kept by the School Business & Finance Manager and will include information on users, finances, incidents, accidents, enquires and any lettings refused.

1.4 SAFEGUARDING

The School Safeguarding and Child Protection Policy must be consulted and followed when dealing with external organisations that work with children or young people. The school is required to ensure that the 'responsible person' on site provides a proof of ID and personal address. In the case of youth groups (under the age of 18), documentation must also include satisfactory proof of a current DBS clearance and the completion of the school's safeguarding children declaration form. Hirers' personal safeguarding information is recorded centrally and retained securely, as necessary. The school reserves the right to take up appropriate references concerning hirers prior to approving a hiring agreement.

Radicalisation:

Woodbridge High School recognises that protecting pupils from radicalisation and identifying and reporting the potential for or realisation of radicalisation is part of our holistic approach to safeguarding pupils against any threat to their health, safety and wellbeing. Our Anti-radicalisation policy (see separate school policy) sets out our beliefs, strategies and procedures to protect pupils from being radicalised or exposed to extremism. In line with this, we ensure all our lettings are appropriately vetted and any activity onsite is sufficiently quality assured as is deemed reasonable.

1.5 CONSIDERING APPLICATIONS FOR LETTINGS

The School Business & Finance Manager will decide on the approval of the application to hire having considered to:

- Interference with school activities, priority at all times should be given to school functions.
- The availability of facilities.
- The availability of staff to open and close the premises.
- The school's Safeguarding and Child Protection Policy and associated documentation (*please refer to 1.4*), and health and safety policy (*please refer to 1.8*).
- Health and safety considerations in relation to the number of users, type of activity, qualifications of instructors etc.
- Adequacy of management procedures (i.e. caretaking supervision) in place during the hire.
- The appropriateness of the letting and whether it is deemed compatible with the ethos of the school.

1.6 CHARGES

The applicant is required to pay the applicable charges in full, on receipt of the school's invoice, prior to the date of the hire. The hiring is considered to be booked on receipt of a deposit, which is requested via a school invoice in advance of the letting.

The Governing Body or those with delegated powers (i.e. the School Business & Finance Manager) are responsible for setting charges for each area available for hire. Annual charging rates are set in respect of the hiring of the main hall, sports hall and outside pitch. The cost of hiring in respect of other areas of the school is related to the volume of lettings being undertaken at the time (if any) in respect of the main hall, sports hall, canteens, fitness centre, outside sports pitches and all-weather outside surface.

As a minimum, the school should achieve full cost recovery. Apportioning costs may be difficult and therefore estimates of associated variable elements can be used. The list below is not exhaustive.

Premises Management	Cost of staffing (including on costs) for additional security, caretaking, opening and locking premises. This charge will vary depending on staffing hours needed.
Administration	Administrative costs incurred by the school in managing lettings. <i>Example: one off admin charge of £10</i>
Equipment Hire	Use of school equipment to cover wear and tear. The charge can vary depending on the type of equipment or number of units required. <i>Example: £20 to cover wear and tear of gym equipment, chairs or tables etc</i>
Cleaning	If additional cleaning is required, the school can ask the cleaning contractor for a quote. This charge will vary depending on the extra cleaning hours needed. <i>Example: Additional ½ hour @ standard hourly rate</i> Additional cleaning costs may be applicable for the hire of kitchen facilities.

	The School Business & Finance Manager will make decide as to whether extra cleaning will be undertaken by the contractor after the hire and prior to commencing with normal school meal activities. This may remain a requirement even if the kitchen is cleaned thoroughly by the Hirer.
Heating/ Lighting	This can be calculated from known annual energy costs, and an estimate of the percentage of the school used for letting. The charge can be set higher in winter months to reflect the additional heating.
Insurance	Where appropriate, hirers will be charged for public liability insurance providing £10m indemnity limit as part of the booking fee unless proof of adequate equivalent insurance can be provided to the school. (Please refer to 1.7 for more information.)
Profit	This depends on whether the school intends to raise funds for the school.
VAT	Letting sports facilities are subject to VAT in some cases. In general, this applies to those hirings where there are bookings of less than ten occasions within any one block of bookings. Also, where an extra and separate charge is made for the hire of equipment e.g. pianos, furniture, staging, lighting, etc. The hire of halls or rooms are not subject to VAT unless equipment is provided such as nets, bats and balls in which case it is vatable. The school must record the VAT element of any income.
Deposit	In the cases of one-off hall/room bookings, the school requests a deposit as well as a lettings fee as a surety against damage to the premises or equipment or the premises being left in an unacceptable condition incurring additional costs for cleaning, caretaking or other expenses.

1.7 INSURANCE

The Third-Party Hirers' Liability Policy covers the hirer against any claim made for injury and or damage to third parties as well as damage to the hired building as a direct result from the hire. This policy is designed to cover hirers for low risk one-off type hires such as a parent hiring a hall for a birthday party or a regular meeting/gathering for discussion purposes.

The Third-Party Hirers' Liability Policy is not designed to cater for any private activity groups or sports clubs, which are run on a commercial basis. Such groups should be asked to produce evidence of their own public liability insurance cover for a minimum of £10m for more hazardous activities (i.e. karate or gymnastics). They should also produce evidence of their employers' liability cover should this be applicable.

1.8 HEALTH AND SAFETY

Under the Health and Safety at Work etc Act 1974 the employer is responsible for the health and safety for employees and others who are on the premises.

1.8.1 The school will follow the health and safety guidance below for all lettings:

- Prior to the commencement of the letting (the initial letting if it is a block booking), the member of the site staff on duty will provide the hirer with the school's 'Health and Safety Checklist' to read and sign. A copy is then retained by the Site Manager and the School Business & Finance Manager. This is also undertaken routinely on an annual basis.
- The school and the hirer must ensure that the premises are suitable for the intended use.
- The school and the hirer must agree the extent of the use of premises and equipment.
- The school will ensure that the hirer is competent to use any equipment provided by the school and that all equipment is in a safe condition.
- Electrical equipment provided by the hirer must have been previously inspected prior to being brought onto the school site, and deemed to be fit and safe for purpose. This is the responsibility of the hirer.
- The school will ensure that the means of access and egress are safe for the hirer. The hirer must ensure that this is maintained during the letting.
- The school will advise the hirer of any known hazards prior to their letting commencing and will request that the hirer notify the school of any hazards during the letting.
- The hirer must ensure that the kitchen is restricted to authorised persons only (i.e. no children).
- The school will provide the hirer with details of emergency procedures e.g. action to be taken on discovering a fire, fire evacuation etc.
- A telephone must be made available by the hirer for emergency calls. The caretaker supervising the letting may make a landline available to the hirer for use in an emergency or ensure that the hirer has access to a mobile.

- The school may agree for the hirer to use the school's first aid equipment, including its defibrillator. However, there is a requirement for hirers to bring their own first aid equipment to the letting and the hirer must make suitable arrangements for the administration of first aid in respect of those attending the letting.
- A 'LBR Accident and Incident Form' must be completed by the hirer in the event of an accident or incident occurring on the premises.
- The school's site manager/caretaker will check that the premises have been left in a safe condition ('left as found') and will ensure that the hirer adheres to the principle of leaving the condition of the premises as found.

1.8.2 In addition to the above, the school will follow the health and safety guidance below for all repeat lettings:

- The hirer must have regard to the national standards of qualification, experience and competence of instructors/supervisors/coaches for sporting and other activities e.g. FA football coaching dance, karate, etc, qualifications.
- The school may require the hirer to provide a risk assessment specific to the letting.
- The school will decide on the appropriateness of a hirer undertaking a periodic fire drill.
- The member of site staff on duty will ensure that the hirer is familiar with the school's fire evacuation procedures.
- The hirer is responsible for ensuring that a Personal Emergency Evacuation Plan (PEEP) is drawn up if advised that anybody attending their session that has a physical or mental impairment which would affect their ability to evacuate in an emergency.
- The hirer must keep a register during their letting for use in an emergency evacuation.

1.9 HIRE OF KITCHEN FACILITIES

A hire application which includes the use of the kitchen for food storage, production, assembly or service MUST be discussed with the school meal contractor before being approved. Use of the kitchen involves 'low-risk' activities only, such as the simple heating of pre-heated food and the provision of basic refreshments. The school does not provide facilities for the actual cooking of food products as this would contravene the school's food health and safety procedures.

All areas of the kitchen must be cleaned and left tidy after use; however, the school meal contractor may request that their staff conduct another clean prior to commencing with normal food handling activities, at an additional cost.

The school and the school canteen contractor are not liable for any person that falls ill as a result of food brought onto the premises by the hirer during the letting period. If a hirer uses the services of a caterer, the school MUST be provided with a copy of his/her hygiene certificate in advance of the hiring.

1.10 LICENSING ACT 2003 - ALCOHOL, MUSIC, PERFORMANCE OF DANCE, PLAYS AND LATE-NIGHT REFRESHMENT

A licence for any of the above activities is not necessary where a function is not open to the public. Thus weddings, private parties, or similar events are not licensable. Any event where tickets are sold (i.e. a public event) or where any alcohol is sold (or is provided inclusive of a ticket price), requires a licence. This will normally be a Temporary Event Notice (TEN) which the hirer or the school must submit to the Council's Licensing service. In such circumstances, the licence holder must remain on site for the complete duration of the letting period.

1.11 GAMBLING ACT 2005

A hire application which involves gambling activities must be referred to the Council's Licensing Service for advice on how to proceed. No application should be accepted without express permission from the Licensing Service.

1.12 POLICY REVIEW

The Finance and General Purposes Committee will review this policy and its appendices every three years.
