Year 10 Netball beat Seven Kings 23-2

Year 7 Boys Football beat Loxford 3-0

Football week - Let Girls Play

Football remains to be one of the most popular clubs at Woodbridge and is widely attended by a variety of year groups. Alongside having competitive squad's for each year group, "football for all" runs on Tuesday for year 7 and 8 and Friday's for years 9,10 and 11. See some of our fantastic results this term in the column alongside.

This term Woodbridge celebrated International Women's Day across the whole school. Alongside that, the FA had #LetGirlsPlay Miss Sanderson in the BET team hosted a series of interform events to promote football engagement throughout the school! This saw many of our fantastic students take to the pitch despite never having played before!

THE SCHOOL OF ROCK!

Woodbridge Extra-Curricular Newsletter

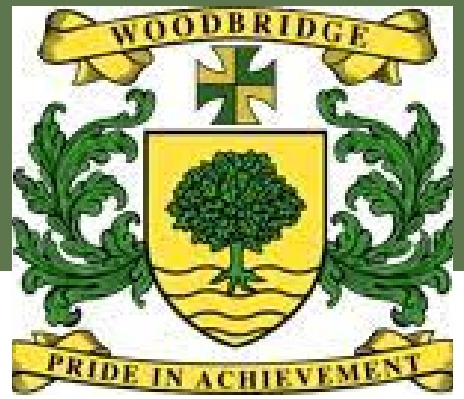

School of Rock – Musical Production

This year, the drama and music department worked on "The School of Rock" with over 100 students. Students were involved in all aspects of the production from stage design, lighting and sound, costume and props to acting in the production. Students have been working hard in rehearsals since October and it was amazing to see all their hard work pay off in the performances last week.

A big well done and thank you to all staff and students who were involved. As Mr. Hogan said "A school without drama and music is no school at all"

Keep on eye on our drama social media for hints as to what we will be putting on next year...

Drama Matters Festival

Congratulations to our students who took part in the Drama Matters Final Devising Performing Arts Festival and won Best Overall Production out of the 83 school that took part. Freya Kelly also won Best Performer! They will be invited back next year as judges and to present the new overall winners.

BET reward trip to see &Juliet

Off the back of our winter student voice survey, students commented that they had no incentive or rewards for going to clubs.

This is something we reviewed and decided that once a term a rewards trip would be offered for those who had made an outstanding contribution to the school community. 26 students were selected for the recent &Juliet trip due to their outstanding contribution to the school.

Their contributions included:

- Taking part in an extra curricular club
- Becoming a prefect and contribution to whole school events
- Being a house captain and chairing meetings and collating minutes to be actioned across the school
- Being part of the environment committee
- Having a full loyalty card

This is something we intend to do every term. Keep an eye out for new clubs that are starting in the summer. Don't forget to get your loyalty card stamped to be in with a chance of winning some amazing prizes!

Emmanuele CANCHELO MARTINEZ

Maya MIHOVA

Zion Ramsey-Logan

Ava Louise PLUMMER

Sam Andrews

Arron Larkins

Well done and thank you for taking part in a club!

This term saw the first loyalty card draw since the launch of our incentive system.

Students listed to the left were drawn and won a series of prizes.

Everyone who submitted one full line this term earned 5 achievements points.

New and returning clubs

As we move into the summer term, we see the long awaited return of clubs such as Bee club and Photography club. We also saw the return of some clubs that were requested by popular demand such as Food Tech club. Mr Waddington has started an Italian Club that commences every Monday week 1. After Easter, we will see the launch of the long awaited KS3 drama club and computing club. By the end of the year, the aim is for every department to run at least one extra curricular event per term. Keep your eyes on our social media for more information. Have a lovely Easter!
