

WOODBRIDGE HIGH SCHOOL

Curriculum Booklet for Parents

Year 11

2023-24

CONTENTS

Dear Parent / Carer,

This booklet provides you with details of the curriculum which your child will follow in year 11 at Woodbridge High School. It will allow you to help them plan their studies and revision, and provides you with suggested examples of wider reading and extension activities to try at home. The equipment which your child will need is indicated, along with some ways in which parents can help students with their studies.

Please note that mock exams covering the material studied for GCSE so far will take place for all students in each subject in November. There will also be additional mock exams in core subjects in March. These will be formal exams and students are expected to revise thoroughly for them. Specific details of the exam for each subject will be sent to you by the relevant departments.

Please do not hesitate to contact me should you have any questions about the school's curriculum as a whole, and individual teachers or heads of department if your queries are subject specific. They can be contacted using the email addresses which are in the 'Contact Us' section of the school's website.

I hope that you will find this information useful.

Jeremy Clifton

Deputy Headteacher jclifton@woodbridgehigh.co.uk

Woodbridge High School Curriculum Overview Year 11 – English & English Literature (GCSE)

	Curricului	m Content			Sugge: Activiti	sted Reading or Extension

Woodbridge High School Curriculum Overview Year 11 – Drama (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities	
Half Term 1 (Sep - Oct)	Component 1: Devising Theatre Students will begin the year with an introduction to devising in groups. They will then move on to create a performance and portfolio of component 1. Within this component students will	Experiencing drama is the best way to develop and extend ideas.	
	Steven Berkoff. Students will be expected to develop and perform an original piece and then move on to discuss the process of devising and evaluate their performances.	Visiting the theatre is a great extension to the in-class experience.	
Half Term 2 (Nov-Dec)	Component 3: Live Theatre Review (10%) Students will visit the theatre to watch a live performance. This is a compulsory and integral part of the course. Students will explore the lighting, sound, set and costume design of the show as well as the methods that performers use to deliver the story. The theatre review will form section B to the written exam.	There are many performances both locally and beyond that capture and show new ideas and ways to tell stories. One of the easiest to access is Redbridge Drama Centre.	
Half Term 3 (Jan-Feb)	Component 2: Performing from a text (20%) Students will perform scenes from various play texts and will be assessed practically on the development of character and performance skills on stage. Students will be asked to consider the artistic aims of the text and communicate this through a written explanation. They performance will be externally assessed by a visiting examiner.	Alongside visiting is to take part in extra-curricular drama both in school and outside. We run lunchtime and afterschool clubs.	
Half Term 4 (Feb-May)	Component 3: Interpreting Theatre In this unit students will study a set text; DNA by Dennis Kelly. This will be explored both through practical and written avenues. Written analysis will be in the form of notes, reflections and reviews in preparation for an exam. This component will be assessed through a written exam. Students will also refresh and revise their live theatre reviews. This component will be assessed through a written exam set by the exam board.	We offer opportunities to perform in school and hope to continue this. This includes the annual school production.

Woodbridge High School Curriculum Overview Year 11 – Physical Education (Core)

	Curriculum Content	Suggested Reading or Extension Activities
CNAT and GCSE students will spend Core time in groups developing their	CNAT and GCSE Students Students to rotate sports throughout the year. Lessons will look more like coaching sessions and focus on development of skill, technique and gameplay as these are the areas students will be assessed in.	There is an expectation that all CNAT and GCSE students regularly attend extra-curricular clubs to continuously develop their skill and fitness levels.
performance in preparation for practical assessments.	Core Students Students will be given more autonomy around their learning at KS4. Within the remit of our resources and facilities, it is our aim as a department to use this time to prepare students for lifelong participation in physical activity.	Extra-curricular clubs are open to all and it is our preference that students continue to engage with these throughout KS4.
students will be offered a range of activities and they may change groups and teachers throughout the year.	Students can select from one of five 'PE Pathways'. These pathways are; Competitive Games, Performance Games, Young Leader, Alternative & Healthy Active Lifestyles. Students will be allocated a teacher for each group and stay with them all year. They will follow a set pathway in year 10 with the opportunity to move to a different pathway in year 11.	In addition, with Yr11 students we would be looking to engage them in teaching/coaching/leadership opportunities. If any students are interested in this please speak to Mr Smith.

Examples of Home	Home learning is not set for core PE.
•	Thomas learning is not set for core FL.
Learning Tasks	
Assessment Tasks,	There are no assessments within KS4 core PE.
Methods & Frequency	
Equipment That	Students should continue to wear appropriate WHS PE kit. There may be activities that
Students Need	require different kit. If this is the case the teacher leading the activity will give prior
	notice.
Parents / Carers can	Help students maintain a healthy, active lifestyle at home,
help their child by:	Ensure students engage with the department and the activities on offer,
	Encourage pupils to continue attending extra-curricular sessions,
	Engage with external providers of sport and activity,
	If a student is unable to take part in a lesson this must be communicated to the
	teacher in advance of the lesson.
Extra-curricular Activities	By year 11 students should be familiar with the extra-curricular offering at WHS. If
	students would like to engage with a broader offering, they should speak to teachers
	who can point them in the right direction of a local provider.
