

MATHEMATICS ADMISSIONS TEST

MAT registration form (for the University of Oxford, Imperial College London and the University of Warwick)

This form is designed as an aid for centres making entries via the Oxford Assessment Admissions Testing Entries Extranet. It will NOT be accepted as an entry by Oxford Assessment Admissions Testing.

Entries must be made by centres between 01 September and 28 September 2023. NO entries will be accepted after 18:00 BST on 28 September 2023.

This registration form should NOT be returned to Oxford Assessment Admissions Testing but should be handed to your test centre.

All entries must be made by registered centres via the Oxford Assessment Admissions Testing Entries Extranet.

Centre Examinations Officers wishing to make changes to an entry should NOT make a new entry, as this may cause a delay in the processing of results. Instead, the existing entry should be edited. If you are made aware that the details of a candidate registration need to be amended on Entries Extranet, you can make the change by clicking on the 'Edit candidate details' or the 'Edit courses & institutions' buttons.
