## Privacy Notice for Governors

### 2023-2024

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about our school governors within their roles supporting the school.

We, Woodbridge High School, are the 'data controller' for the purposes of data protection law.

Our data protection officer is the London Borough of Redbridge (see 'Contact us' below).

- DBS information

#### **Why we use this data**

The purpose of processing this data is to help us run the school, including to:

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school's use of your data.

## Collecting this information

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.
