May 2022

Dear Parent/Carer,

New Woodbridge PE Kit

I am writing to inform you about changes to Woodbridge PE kit that will start in September 2022. We will be using a single sports kit supplier called SchoolSports4U. This will be the only supplier selling Woodbridge-branded PE kit. You can see images of the PE kit on the next page so that you have an idea of what it will look like.

How to buy PE Kit

Go to www.schoolsports4u.co.uk and click on 'Select your School' and then select Woodbridge High School (live as of 29th June). There will also be a link on the school website: Parents > Uniform & Equipment > Uniform Suppliers.

There are two items which must be purchased from SchoolSports4U:

- White T-shirt with the school logo. Students initials included at no extra cost.
- Black tracksuit top with quarter-length zip with the school logo. Students initials included at no extra cost. This top is useful for cold weather activities.

There will be a small stock of these two items at school if you would prefer to purchase them from us. It is not possible to put students' initials on them.

All other items may be purchased either from SchoolSports4U or alternative providers. Please refer to the kit list on the next page for more details.

Transition to new PE Kit

The new PE kit will go on sale in July. There will be two fitting sessions at school where parents and children can view the kit and also try out the sizes before ordering:

- Current Year 7 to 10 students:
 - Saturday 2nd July 9.00am - 12.00pm in Mallards Canteen.
 - Use the main school entrance on Mallards Road. The canteen is accessed using the pathway to the left of reception.
- New Year 7 students (currently in Year 6):
 - Thursday 7th July 6.00pm – 8.00pm in Wynndale Hall

We expect all students to have the two compulsory items in place for September 2023. This allows students to get full use of any existing PE kit.

Please contact your child's Year Co-ordinator if you require financial assistance with purchasing the PE kit.

Please contact me if you have any questions about the changes to Woodbridge PE kit.

Yours sincerely,

Mr D Smith
Head of Physical Education
