

WOODBIDGE HIGH SCHOOL

SIXTH-FORM DRESS CODE

Sixth Form students at Woodbridge High School are expected to wear smart, professional dress 5 days a week, to reflect the desired attitude towards their studies. We believe that Sixth Form students should be seen as role models to younger students and this extends to their appearance. 'Smart' is to be judged by the school's staff and is not negotiable. Below are details of the current dress code, which is applicable for entrance to the school site, regardless of duration (i.e. applicable whether they have one lesson on a particular day or several).

Lanyards and ID Cards must be worn at ALL times by ALL students. Students may not enter the site without their ID card.

PE and Drama Students:

It is a requirement for students on these courses to engage in practical activity which requires the wearing of approved sportswear. This should only be worn on days where there is a practical lesson which requires this kit. Misuse of this will result in students being asked to wear standard Sixth Form attire (detailed above) and having to change when needed. This approved practical dress consists of the following:

*The above branded kit can be purchased at <https://www.woodbridgehigh.co.uk/page/?title=Uniform+Suppliers&pid=66>

If PE or Drama students choose not to wear the above then they must follow the standard sixth form dress code.

Additional notes:

- Shoulders and midriffs must be covered
- Advice on items not on this list, including new fashion trends, should be sought from either Mr Portnoi or Ms Iyengar before wearing
- If students are in breach of this dress code, they should expect sanction and/or for this to be referred, which could include being asked to leave the site, refused entry to the site, or be excluded. Parents do not need to be notified if this happens. The sanction may include being asked to wear lower school uniform instead of leaving the site.
- Outer garments, such as coats, hats, gloves and scarves, must not be worn in lessons.

MOBILE PHONES, EARPHONES AND HEADPHONES

Use of these items is only permitted in the 6th Form area and must not be used anywhere else in school, other than in lessons with the express permission of the teacher i.e. for learning purposes. Such items visible outside of the Sixth Form area risk confiscation. Phone calls must not be made in the Sixth Form study areas at any time. Continued misuse of these items outside of the designated Sixth Form area may result in them being banned from use anywhere on site including in the Sixth Form.

The need to wear items on the 'not allowed' list

There may be occasions when students need to wear items on the 'not allowed' list, for example due to injury or a medical condition. In this case, a parent or guardian must write a note and this must be presented to Mr Portnoi or Ms Iyengar for their consideration.
