Qualifications

The qualifications offered at this centre are decided by the Heads of Department and Senior Leadership team.

The qualifications offered are GCE, GCSE, and OCR Cambridge Nationals and Cambridge Technicals. The Awarding Bodies used are:

AQA www.aqa.org.uk

OCR www.ocr.org.uk

Edexcel www.edexcel.com

WJEC/Eduqas www.wjec.co.uk

The subjects offered for these qualifications in any academic year may be found in the centre's published prospectus/guided choices booklet for that year.

Decisions on whether a candidate should be entered for a particular subject will be taken in consultation with the candidates, parents/carers, subject teachers, SENCo and the Deputy Head.

Exam Series and Timetables

Exam Seasons

External exams and assessments are scheduled in November, January (OCR Cambridge Nationals and Technicals only), May and June.

Internal exams may be held under external exam conditions.

The Head of Department decides which exam series are used in the centre.

Timetable

Once confirmed, the Exams Officer will email candidates their exam timetable.

Entries, entry details and late entries

Candidates are selected for their exam entries by the Heads of Department and subject teachers.

Candidates or parents/carers can request a subject entry, change of level or withdrawal but any late fees arising from such a request will be charged to the parent/carer.

The centre does not act as an exam centre for other organisations.

The centre does not accept external (private) candidates.

Late entries are authorised by Heads of Department and Deputy Head.

Re-take decisions will be made in consultation with candidates, subject teachers and Heads of Department.

Late entry or amendment fees are paid by the departments or the student if the request is made after the deadline date set by the awarding bodies.

Fee reimbursements are sought from candidates who:

- decide to sit or withdraw from an exam after the late entry or withdrawal deadline date set by the awarding bodies;
- fail to sit an exam without medical evidence or evidence of other mitigating circumstances;
- do not meet the necessary course requirements

In the majority of cases, re-sit fees are always paid for by the candidate* unless medical evidence or evidence of other mitigating circumstances is supplied to the Exams Officer. If the Centre has previously agreed to pay for an entry, but the request is submitted by the candidate after the exam board deadline date, then the candidate will always be liable for any late entry fees if the request could have been made on time by the candidate. It is not the responsibility of the Centre to chase up any candidate to determine if a re-sit is required. This decision must be made by the candidate by the deadline date set by the Exams Officer.

Failure to attend an examination or pay for a re-sit could mean that the qualification is not completed and a grade cannot be awarded in that subject, or, a grade will be issued based only on the completed components.

Candidates will be sent re-sit request forms via their school email account to allow them to pay for a re-sit in GCSE English Language or Mathematics. Any candidates returning their re-sit form after the deadline date shown on it may be required to pay late entry fees that will double, or even triple, the cost of an entry.

*see Exam Fees and Re-sits sections below for information on when candidates will be exempt from paying re-sit fees.

Exam Fees

Candidates or departments will not be charged for changes of tier or withdrawals made by the proper procedures or alterations arising from administrative processes provided these are made within the time allowed by the awarding bodies.

First sitting of GCSE entry exam fees are paid for by the Centre. Non-attendance to lessons may result in a student not being entered for an exam.

First sitting of A Level entry exam fees are paid for by the Centre.

Where a student would like to sit an exam that is not part of the curriculum the entry fee for this must be paid for by the student. The Centre retains the right to not enter a student for an examination if the entry requirements cannot be met by the Centre. The Centre also retains the right to not enter a student if the date of the examination falls during a school holiday or on a Bank Holiday when the Centre is closed.

For non taught MFL languages please ask the Exams Officer for the policy on entries for these qualifications.

Woodbridge High School is committed to ensuring equal opportunity and access for all its pupils. Any pupil currently in receipt of free school meals will receive a 50% discount on the cost of re-sit fees. However, late fees incurred as a result of a candidate failing to meet the deadline dates set by the awarding bodies must be paid in full by the candidate.

Exam Re-sits

Year 12 and 13 candidates are always required to pay for their re-sit fees unless the following applies:

Where a candidate enrolls on a Foundation course in the 6th Form, and they are required to re-sit their GCSE in English Language or Mathematics to gain a grade 4, the Centre will pay for the first re-sit attempt only regardless of when this is taken. Any subsequent re-sit must be paid for by the candidate. For example, if the first re-sit attempt is taken in November of Year 12 this will be paid for by the Centre. Any further re-sits taken in Year 12 and/or Year 13 must be paid for by the candidate.

An entry will only be made when the subject teacher feels it is appropriate for them. In all instances the candidate must return a signed re-sit form which will be made available to them. If a candidate wishes to be entered earlier than is recommended by the subject teacher then the candidate must pay for this entry.

Note that failure to attend the first re-sit opportunity, or withdrawing after the deadline date set by the awarding bodies, will mean that the candidate will have to pay for the second entry that the Centre makes in that subject.

Any candidate in Year 12 or 13 who have already obtained a grade 4 in GCSE English Language or Mathematics, but would like to improve upon this grade, will be required to pay for their re-sit. An entry will be made upon receipt of a re-sit form and the full fee.

Malpractice

The Exams Officer and a member of the Leadership team are responsible for investigating suspected malpractice in accordance with JCQ guidelines.

Any cases of alleged, suspected or actual incidents of malpractice or maladministration before, during or after examinations/assessments (by centre staff, candidates, invigilators) will be investigated and reported to the awarding body immediately, by completing the appropriate documentation.

For further information please refer to the school's Plagiarism and Malpractice Policy (www.woodbridgehigh.co.uk >> Teaching and Learning >> Examinations >> Exam Documents >> Plagiarism and Malpractice Policy).

Conflict of Interest

It is the responsibility of the head of centre to ensure that Woodbridge High School:

- Manages conflicts of interest by informing the awarding bodies before the published deadline for entries for each examination series of any potential conflict of interest where:
 - any members of centre staff who are taking a qualification at this centre which includes internally assessed components/units*
 - any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records (that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected) of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at this centre or other centres
- centre staff are taking qualifications at this centre which do not include internally assessed components/units*
- centre staff are taking qualifications at other centres
- Retains records of all conflicts of interest including details of the measures taken to mitigate any potential risk to the integrity of the qualifications affected. (The records may be inspected by a JCQ Centre Inspector and/or awarding body staff. They might be requested in the event of concerns being reported to an awarding body. The records must be retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later.)
- *Notes that entering members of centre staff for qualifications at their own centre must be as a last resort in cases where the member of centre staff is unable to find another centre, and ensures:
 - proper protocols are in place to prevent the member of centre staff having access to examination materials prior to the examination and that other centre staff are briefed on maintaining the integrity and confidentiality of the examination materials

- during the examination series the member of centre staff is treated in the same way as any other candidate entered for that examination, does not have access to examination materials and does not receive any preferential treatment

All staff, governors and exam invigilators are required to fill out a Declaration of Interest form three times a year, ahead of the deadline for entries for each examination series, to declare any potential conflicts of interest as detailed above. For all declarations of a potential conflict of interest, details are entered on a conflict of interest log, detailing steps taken to manage the risk. This conflict of interest log is retained until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later. Where applicable, the conflicts of interest log is also sent to the awarding bodies before the published deadline for entries for that examination series, in line with the guidance outline in the JCQ [General Regulations for Approved Centres](#) document.

Equality in Exams

The head of centre/senior leadership team will recognise its duties towards disabled candidates, ensuring compliance with all aspects of the Equality Act 2010, particularly Section 20 (7). The Equality Act 2010 strengthens the duty to make reasonable adjustments to general qualifications. All exam centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

The centre will meet the requirements of the Act by ensuring that the exams centre is accessible and improves candidate experience. This is the responsibility of the Deputy Head, Exams Officer and SENCo. The centre delivers qualifications, as required by the awarding body, in accordance with relevant equality legislation. This includes but is not limited to ensuring that qualifications are made available to all candidates capable of undertaking them and seeking reasonable adjustments for disabled candidates. This must include a duty to explore and provide access to suitable courses, through the access arrangements process submit applications for reasonable adjustments and make reasonable adjustments to the service the centre provides to disabled candidates.

Reasonable adjustments will be made for students with permanent or temporary disabilities which could include placing students near to exits, ensuring sufficient space between desks for wheelchairs, rooming students into exam rooms at ground level, allowing rest breaks, enlarging scripts, provision of a Word Processor etc (see the school's Access Arrangements Policy for more information). This is in addition to any access arrangements that are made for students. Requests for separate rooming arrangements must be supported by medical evidence detailing a need for this and there must be a history of need supported by the Centre. All requests for exam arrangements must be with the SENCo by the end of February to allow sufficient time for the requests to be processed by the exam boards. Requests received after this date may not be processed.

Managing Invigilators

External and internal staff are used to invigilate examinations.

Recruitment and training of external invigilators is the responsibility of the Exams Officer. A record of the training provided to invigilators will be kept on file for the required period.

Securing the necessary Disclosures and Barring Service (DBS) clearance for new invigilators is the responsibility of the Centre administration. The centre adheres to the DFE guidance document 'Keeping Children Safe in Education' with regards to DBS procedures.

DBS fees for securing such clearance are paid by the centre. Invigilators are timetabled and briefed by the Exams Officer. Invigilators rates of pay are set by the London Borough of Redbridge.

Subject staff may be present outside of the exam room before the start of the exam to assist with

identification of candidates but must not enter the exam room or advise on which questions or sections are to be attempted.

In practical exams subject teachers may be on hand in case of any technical difficulties.

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to heads of department at the end of the exam session.

Grounds for appeal will only be granted if the appellant* considers that either:

- a marking or moderation (or a review of marking/moderation) error has occurred; or
- the awarding body did not apply its procedures consistently, properly or fairly.

*The appellant is the head of centre who submits the appeal.

Enquiries about Results (EARs)

EARs may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking. The candidates' consent is required before any EAR is requested.

Candidates can request that an EAR be carried out and they will be charged for this service before a request is made to the awarding body. The Exams Officer will make available to every candidate on results day an up-to-date table showing the fees and deadline dates for the EAR service as set by the awarding bodies. Each candidate will also have a copy of an EAR request form.

If a result is queried by a Head of Department then the fee will be paid for by the requesting department.

If the centre's marks for internal assessment have been accepted by an awarding body without change then it is not possible to request a review of this component.
