The awarding bodies offer the following Post Results Services. Please note that the above prices are **per unit, component or module NOT per subject**.

### **Service 1 (Clerical re-check)**

This is a re-check of all clerical procedures leading to the issue of a result e.g. adding up of marks. Exam Boards aim to complete these within 10 calendar days of receipt of the request.

### **Service 2 (Post-results review of marking)**

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **It is not a re-marking of your script.** The service is available for externally assessed components. Exam Boards aim to complete these within 20 calendar days of receipt of the request.

### **Priority Service 2 (Post-results review of marking)**

This service is as Service 2, but is only available if your place in higher education is dependent upon the outcome. Any applications not meeting this criteria will be treated as normal Service 2 requests. Exam Boards aim to complete these within 15 calendar days of receipt of the request.

### **Access to Scripts**

Electronic Copy – this service should only be used in order to decide whether or not it is worth applying for a review of marking. If you are thinking about a Service 2 Priority review of marking then you should move straight to this as the electronic copy of the script will not be returned to you in time. Photocopy scripts will be returned by no later than 7<sup>th</sup> September.

Original – this service is available if you just want to look at your script. Once an awarding body has returned an original script to you then it can no longer be subject to any Post Results Services. Earliest date for return of scripts will be 29<sup>th</sup> September with the final date being 3<sup>rd</sup> November.

\* This service is not available for Non-Examined Assessments that are marked within the centre. Please speak to Mrs Brooker, the Exams Officer, in the event of any query.

## Clerical Re-Checks, Reviews of Marking and Appeals

### Candidate consent form – to be completed by student only

#### Information for candidates

The following information explains what may happen following a clerical re-check, a review of marking and any subsequent appeal.

If your school or college submits an application for a clerical re-check or a review of the original marking, and then a subsequent appeal, for one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

In order to proceed with the clerical re-check or review of marking, you **must** sign the form below. This tells the head of your school or college that you have understood what the outcome might be, and that you give your consent to the clerical re-check or review of marking being submitted.
