Social Sciences (Psychology and Sociology)	

# Year 9 Subjects

Everyone will study Maths, English, Science, PE and Life Studies.

Everyone will study the following subjects: History, Geography, RE, Art, Drama, Music, Computing, Design & Technology

All students will study at least one language. A number of students will study two languages. You will be informed by the Languages Department if this the case.

# What else?

You will be expected to continue your early choices as two of your four GCSE choices.

You will be given a choices booklet which contains information about all the subjects.

# Online Access

Not registered? You will be sent an email with details about how to register for the online form.

No registration = no access to options form

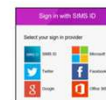

Any problems? Go to the Data office asap

## Online Option Guidance for Students

An email will be delivered to you by the school from [norps@nps.co.uk](mailto:norps@nps.co.uk) if you haven't already registered for the SIMs App. It will look similar to the one below. Click on the link provided, or copy the URL provided into a web browser.

Sign in with your school email account using the Google option. You will need your Google and Blackboard logins and passwords. If you have forgotten these please ask IT Support to re-set them for you.

Once logged in you will see the screen below. Click on the 'Register' button.

You will need to verify the account by answering a security question.

You are now registered for the SIMs App.

If you have any problems registering for the SIMs App you **MUST** come to the Data office to sort this out before the Guided Choices evening.

After the Guided Choices evening everyone will be sent an email that will give access to the Options Online system. Students can only access Options Online if they have registered for SIMs App first.
