

WOODBIDGE HIGH SCHOOL

Life Studies Overview

2026-27

Years 7-11

What is Life Studies?

Life Studies is a core subject taught through Year 7 to Year 11 that combines Relationships, Sex and Health Education (RSHE), PSHE, Citizenship, Careers, Environment education and the school ethos into one programme of lessons. Students receive one lesson every fortnight and those in Year 7 will have an introductory lesson during their first day at Woodbridge High School.

Each year is themed as follows:

- Year 7 – transition into secondary school
- Year 8 – transition into teenager
- Year 9 – knowledge gaining year
- Year 10 – applying the knowledge to themselves
- Year 11 – applying the knowledge beyond school

This allows students to improve their knowledge and understanding from each year to the next.

There is more information about Relationships, Sex and Health Education available on the school website, including a copy of the full syllabus that students will cover throughout all year groups, alongside copies of the resources used, and the school RSHE policy.

Go to www.woodbridgehigh.co.uk and choose “Teaching & Learning” from the top menu, then pick “SMSC, RSHE & British Values”

You will receive a letter at the start of September each year about the RSHE Provision at Woodbridge High School. This will give you more information about your right to withdraw your child from the sex education element should you wish to do so; please note that none of the lessons taught in Year 7 cover any of the sex education content. There will also be an opportunity to attend a parent consultation meeting during the first half-term of the Autumn term each year.

How is Life Studies taught?

In Year 7 & 8 students are taught within their tutor groups by members of the Life Studies Team. In Year 9, are taught within their house group, and in Year 10 and 11, students are taught in mixed classes to ensure that a wider variety of discussions can happen and that they experience a wider selection of opinions – this is important in helping them improve their critical thinking skills.

Students will complete a booklet of lessons per term, these booklets will be kept in school and collated, giving them a full set when they complete Year 11. Lesson resources are provided to the Life Studies team so they will match the resource examples available through the school website, and ensure that all classes cover the same content. PPR (home learning) will mainly consist of termly quizzes to assess what students have covered in that term.

The Life Studies team is made up of many teachers from across the school community, and they are led and trained by Ms Wardle, the Life Studies Co-ordinator and RSHE Lead.

Woodbridge High School Curriculum Overview

Year 7 – Life Studies

	Curriculum Content	Suggested Reading or Extension Activities
Term 1 (Sept-Dec)	• The Woodbridge Way • Friendships & Respect • Bullying and Cyberbullying • Discrimination & Stereotyping • Different Families & Parenting • Body Autonomy • Online Safety (digital footprint, unrealistic expectations & AI)	Students should discuss the issues raised during Life Studies with peers, parents and teachers. Discussion and debate are the best way to extend their learning.
Term 2 (Jan-March)	• Critical questioning • Rule of law & the UK Justice system • Drugs & Criminal Exploitation • Gangs & Knife Crime • Radicalisation & Extremism	Copies of the resources used in lessons are available through the school website should parents wish to use these to discuss things with their children.
Term 3 (April-July)	• Healthy Lifestyle (sleep and healthy eating) • Puberty & Menstruation • Happiness, Wellbeing & Mental Health • Basic First Aid • Diversity & the Law • Careers • Community & Volunteering • Homelessness	

Examples of PPR Tasks	PPR tasks are only occasionally set for Life Studies, this will include the assessment quizzes set through our online platforms. Lessons consist of discussion and debate, with written tasks in booklets.
Assessment Tasks, Methods & Frequency	Students will complete tasks in booklets allowing for continuous assessment through teacher observation. Students will be set half-termly quizzes, along with an End of Year assessment, these will be done online as PPR.
Equipment That Students Need	Pens, pencils.

Parents / Carers can help their child by:	• Discussing and debating the issues raised. • Encouraging students to find out more. • Watching documentaries with their children
