Religious Studies (GCSE)	29
Russian (GCSE)	31
Sociology (GCSE)	32
Spanish (GCSE)	33
Sports Studies (Cambridge National)	34

Dear Parent / Carer,

This booklet provides you with details of the curriculum which your child will follow in year 11 at Woodbridge High School. It will allow you to help them plan their studies and revision, and provides you with suggested examples of wider reading and extension activities to try at home. The equipment which your child will need is indicated, along with some ways in which parents can help students with their studies.

Please note that mock exams covering the material studied for GCSE so far will take place for all students in each subject in November. There will also be additional mock exams in core subjects in March. These will be formal exams and students are expected to revise thoroughly for them. Specific details of the exam for each subject will be sent to you by the relevant departments.

Please do not hesitate to contact me should you have any questions about the school's curriculum as a whole, and individual teachers or heads of department if your queries are subject specific. They can be contacted using the email addresses which are in the 'Contact Us' section of the school's website.

I hope that you will find this information useful.

Jeremy Clifton

Deputy Headteacher

jclifton@woodbridgehigh.co.uk

Woodbridge High School Curriculum Overview

Year 11 – English & English Literature (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	AQA English Language Paper 2: Writers' viewpoints and perspectives - Students will practise analytical reading skills in preparation of a range of responses to comprehension, language analysis and authorial intent - Students will engage in the drafting process of non-fiction writing for clear content, communication, stylistic impact and technical accuracy for meaning. Revision AQA English literature Paper 1 – Romeo and Juliet and A Christmas Carol	Revision, and improvement, of Writing already completed in year 10. Practicing a range of titles. Wider reading of fiction for stamina, and understanding of narrative structure, characterisation, etc. See also KS4 English Reading List. Past papers.
Half Term 2 (Nov-Dec)	Revision School MOCK examinations: AQA English Language Paper 2 and AQA English Literature Paper 1 After Mocks: NEA - Speaking and Listening unit – students will have to prepare and present on an agreed upon topic Revision of Literature texts studied in Year 10: An Inspector Calls, Poetry Anthology, Unseen Poetry	Re-read core texts to build on the retrieval activities started in lessons. Revision of all core Literature texts Past papers. Wider reading of Poetry: https://www.theguardian.com/books/poetry
Half Term 3 (Jan-Feb)	Revision of core literature texts for Paper 2 and Revision of AQA English Language Paper 1	As above.
Half Term 4 (Feb-Mar)	School CORE MOCK examinations: AQA Paper 2 Literature and Paper 1 AQA English Language	Research of contemporary issues. BBC Bitesize and other online revision sources and in-house booklets
Half Term 5 (Apr-May)	Revision in preparation for GCSE AQA English Language and AQA English Literature exams.	Reading and discussion of the core literature texts; CGP Revision; AQA website; dept resources

Examples of PPR Tasks	Independent wider reading; essay re-drafting; essay planning; past papers; research projects etc.
Assessment Tasks, Methods & Frequency	Mid-unit and end-of-unit assessments and full-year group School Mock Examinations
Equipment That Students Need	Pupils will be provided with resources and revision material. All pupils will have purchased their core Literature texts: <i>An Inspector Calls</i> by J.B. Priestley, <i>A Christmas Carol</i> by Charles Dickens, and <i>Romeo and Juliet</i> by William Shakespeare. Additionally: black pen, green pen, board pen; ruler; highlighters.
Parents / Carers can help their child by:	Ensuring that pupils read every day and widely, both fiction and non-fiction texts. Complete revision and PPR tasks.
Useful Websites	BBC Bitesize; Quizlet; http://nfs.sparknotes.com/romeojuliet/ (No Fear Shakespeare – modern English and original text side-by-side); https://www.theguardian.com/uk
Extra-curricular Activities	Reading Club, Debating Club, KS4 Clinic

Head of English	Ms Theodorou		
Teachers of English	Ms Barnes Ms Brown Ms Colman Mr Faisal	Ms Oliver Mr McNaughtan Ms Minhas/Ms Shahid Ms Moynihan	Mr. Bentley Mr Riley Ms Theodorou Mr Wingfield

Woodbridge High School Curriculum Overview

Year 11 – Mathematics (GCSE)

	Curriculum Content F – Foundation level H – Higher level	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	- Perimeter, area, volume, fractions, indices, standard form (F) - Expanding double brackets, solving quadratics, factorising quadratics, recognise quadratic graphs (F) - Circle theorems, equations of tangents, geometric proof (H) - Rearranging formulae, Algebraic fractions, Surds, Algebraic proofs (H).	Extension and Activities to all topics can be found on: https://www.mathsgenie.co.uk/gcse.html Mathswatch on-line PPR
Half Term 2 (Nov-Dec)	- Rearranging formulae, recap of algebra basics (F) - Congruency, similarity, proof and vectors (F) - Vector notation, vector proof, parallel vectors, ratio vectors, geometric proof (H) - November Mock Exams (F) (H)	www.corbettmaths.com has excellent free, online videos and practice questions on a range of topics. Edexcel Pearson Revision Guide, Foundation or Higher
Half Term 3 (Jan-Feb)	- Circles, cones, spheres, circumference, area, volume (F) - Direct and inverse proportion, exponential functions, transformation of graphs (H) - Revision questions based on November mocks (F) (H)	Text Books: Pearson GCSE Mathematics (Higher/Foundation)
Half Term 4 (Feb-Mar)	- February core mock Exams (F) (H) - Past exam papers practices (F) (H)	Edexcel Pearson Revision Guide, Foundation or Higher
Half Term 5 (Apr-May)	- Selected topics are taught and assessed after the question-by-question analysis February mock examinations (F) (H) - Weekly tests to prepare for the official exams (F) (H) - Non-calculator Paper 1H / 1F Exam (F) (H) - Calculator Paper 2H/2F Exam (F) (H) - Calculator Paper 3H/3F Exam (F) (H)	Text Books: Pearson GCSE Mathematics (Higher/Foundation)

Examples of PPR Tasks	Re-enforces what pupils have learnt in class but also reviews previous topics to aid retention. PPR is set once a week on Mathswatch and completed by students online.
Assessment Tasks, Methods & Frequency	Students will be tested every 3-4 weeks, based on their unit of work. The full mock set will be in November, and the core mocks in March.
Equipment That Students Need	Scientific Calculator, Ruler, Protractor, Pencils, Pens, Rubber, Compasses.

Parents / Carers can help their child by:	- Ensuring that weekly homework is completed to a high standard. - Using the useful websites below to further practice skills taught in class. - Sending children fully equipped for mathematics lessons.
Useful Websites	https://vle.mathswatch.co.uk/vle/ , https://www.mathsgenie.co.uk/gcse.html , https://corbettmaths.com/ www.bbc.co.uk/bitesize

Woodbridge High School Curriculum Overview

Year 11 – Science: Biology (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	Gas Exchange The Heart and Circulatory System Respiration	CGP Edexcel GCSE Biology (Grade 9-1) revision guide to be used to consolidate all topics. Students have access to all the online textbooks at
Half Term 2 (Nov-Dec)	Hormones and Homeostasis - Animal and plant hormones - Thermoregulation - Kidneys and Osmoregulation	https://www.pearsonactivelearn.com www.educake.co.uk and exam style questions for PPR
Half Term 3 (Jan-Feb)	Plants and Photosynthesis - Adaptations of the plants for Photosynthesis - Factors that affect the rate of Photosynthesis	An on-line learning platform/app that students should use to help them review topics, practice questions and revise before assessments. Teachers may set assignments from here as PPR activities. The textbook and 'Educake' can also help revise key ideas and practice questions.
Half Term 4 (Feb-Mar)	Ecosystems and Material Cycles - Ecosystems - Human impacts on the environment - Carbon, Water and Nitrogen cycle	
Half Term 5 (Apr-May)	Revision and exam practice	

Examples of PPR Tasks	PPR tasks centre around retrieval and practise Educake.co.uk is an online platform that we use to set weekly tasks linked to content completed in class or key fundamentals that links to the topic being taught.
Assessment Tasks, Methods & Frequency	Learning checks and end of topic tests completed for each topic. Skills associated with answering exam questions like devise a method and drawing a graph are practiced. Mock exams for Paper 1 held in November and Feb/March for Paper 2
Equipment That Students Need	Pen, pencil, ruler, rubber, scientific calculator.

Parents / Carers can help their child by:	- Ensuring they learn their keyword definitions - Encouraging them to use the online textbook for revision before assessments
Useful Websites	www.educake.co.uk www.bbc.bitesize
Extra-curricular Activities	Exam practice sessions

Who Can I Contact?	Head of Biology	Ms. Bartlett
	Teachers of Y11 Biology	Ms Walia Ms. Sajeev

Woodbridge High School Curriculum Overview

Year 11 – Science: Chemistry (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	Rates and energetics - How to measure rates - Collision theory - Factors that affect reaction rate - Exothermic and endothermic reactions - Bond energies (high and separate only)	CGP Edexcel GCSE Chemistry (Grade 9-1) revision guide to be used to consolidate all topics. Students have access to all the online textbooks at https://www.pearsonactivelearn.com www.educake.co.uk and exam style questions for PPR An on-line learning platform/app that students should use to help them review topics, practice questions and revise before assessments. Teachers may set assignments from here as PPR activities. The textbook and 'Educake' can also help revise key ideas and practice questions.
Half Term 2 (Nov-Dec)	Fuels and Earth science - Crude oil - Cracking hydrocarbons - Evolution of the atmosphere - Global warming	
Half Term 3 (Jan-Feb)	Qualitative analysis (separate science only) - Testing anions - Testing cations - Combined problems Review – (combined science)	
Half Term 4 (Feb-Mar)	Organic chemistry (separate science only) - Alkanes/alkenes - Polymers - Composite materials	
Half Term 5 (Apr-May)	Review of KS4 and Revision	

Examples of PPR Tasks	PPR tasks centre around retrieval and practise Educake.co.uk is an online platform that we use to set weekly tasks linked to content completed in class or key fundamentals that links to the topic being taught.
Assessment Tasks, Methods & Frequency	Learning checks and end of topic tests completed for each topic. Skills associated with answering exam questions like devise a method and drawing a graph are practiced. Mock exams for Paper 1 held in November and Feb/March for Paper 2
Equipment That Students Need	Pen, pencil, ruler, eraser, calculator and supplied exercise book to be brought to every lesson.

Parents / Carers can help their child by:	- Ensuring they learn their keyword definitions – they will be tested on these within every unit - Encouraging them to use the revision textbook and their exercise book notes for learning before assessments
Useful Websites	BBC bitesize
Extra-curricular Activities	- Use website: rsc.org/learnchemistry for extra information, revision quizzes etc - Exam practice sessions

Who Can I Contact?	Head of Chemistry	Mr. Esop
	Teachers of Y11 Chemistry	Ms. Meehitiya Dr. Pih

Woodbridge High School Curriculum Overview

Year 11 – Science: Physics (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	Magnetism - Electromagnetism. - Motor effect - Equations	CGP Edexcel GCSE Physics (Grade 9-1) revision guide to be used to consolidate all topics.
Half Term 2 (Nov-Dec)	Electromagnetic induction - AC and DC - Transformers - The national grid Particle Models - Energy calculations - Gas Temperature & Pressure	Students have access to all the online textbooks at https://www.pearsonactivelearn.com www.educake.co.uk and exam style questions for PPR An on-line learning platform/app that students should use to help them review topics, practice questions and revise before assessments. Teachers may set assignments from here as PPR activities.
Half Term 3 (Jan-Feb)	Force & their effects - Vectors and force diagrams - Moments	The textbook and 'Educake' can also help revise key ideas and practice questions.
Half Term 4 (Feb-Mar)	Particle model	
Half Term 5 (Apr-May)	Forces and matter	

Examples of PPR Tasks	PPR tasks centre around retrieval and practise Educake.co.uk is an online platform that we use to set weekly tasks linked to content completed in class or key fundamentals that links to the topic being taught.
Assessment Tasks, Methods & Frequency	Topic assessments, progress checks that are carried out once per term and in class peer assessment tasks. Recall key formulae mini tests, solve physics problems. Questions and answers and contributions in lesson both written and oral
Equipment	Pens, pencil, ruler, rubber, scientific calculator.

Parents / Carers can help their child by:	- Encouraging students to learn the Physics formulae from the formula sheet - Encouraging learning of the keyword definitions – they will be tested on these in each topic - Being positive about physics, its importance to understanding everyday life and the world in which new live in. Highlighting the important skills that they are developing in Physics that will be highly valued by employers and universities.
Useful Websites	http://www.rigb.org/ and https://www.youtube.com/user/1veritasium www.nasa.gov The Royal Observatory in Greenwich. http://www.rmg.co.uk/royal-observatory
Extra-curricular Activities	- Watching scientific shows from the BBC - Attend consolidation and revision sessions.

Who Can I Contact?	Head of Physics	Mr. Sethuraman
	Teachers of Y11 Physics	Mr. Nainwal Mr. Sethuraman

Woodbridge High School Curriculum Overview

Year 11 – Science: Double Award Combined Science (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
During the year students complete the following units shown here in rotation. Not all students complete the same units at the same time. Please contact the Head of Department for further details	Biology - Gas Exchange - The Heart and the Circulatory System - Respiration - Hormones and Homeostasis - Plants - Material Cycles and Ecosystems	CGP Edexcel GCSE Combined Science (Grade 9-1) revision guide to be used to consolidate all topics. Students have access to all the online textbooks at https://www.pearsonactivelearn.com www.educake.co.uk and exam style questions for PPR An on-line learning platform/app that students should use to help them review topics, practice questions and revise before assessments. Teachers may set assignments from here as PPR activities. The textbook and 'Educake' can also help revise key ideas and practice questions.
	Chemistry - Atmosphere - Fuels	
	Physics - Magnetism and EM induction - Forces and their effects - Particle model - Forces and matter	

Examples of PPR Tasks	PPR tasks centre around retrieval and practise Educake.co.uk is an online platform that we use to set weekly tasks linked to content completed in class or key fundamentals that links to the topic being taught
Assessment Tasks, Methods & Frequency	Progress checks, End of topic assessments. Mock exams are held in November and March. The mock exam in November is another attempt at Paper 1 content whilst Paper 2 is tested in March. Each exam is 1hr 45 mins
Equipment That Students Need	Pens, pencil, ruler, rubber, scientific calculator. Student exercise book.

Parents / Carers can help their child by:	- Ensuring they learn their keyword definitions - Encourage them to log on to Tassomai every day - Encourage use of online textbooks and the revision guide		
Useful Websites	http://www.bbc.co.uk/education/subjects/z9ddmp3		
Extra-curricular Activities	Attend lunch time booster sessions		
Who Can I Contact?	Head of Science	Mr. Williams

Woodbridge High School Curriculum Overview

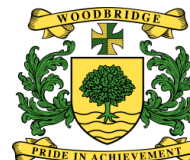

Year 11 – Art, Craft & Design (GCSE)

		Curriculum Content	Extension Activities
Half Term 1 (Sep – Oct)	COURSEWORK PROJECT 2: Students will use skills and knowledge from year 10 to develop a new project through to an outcome. They will be introduced to new techniques and processes throughout this project to broaden and add to that which they have already learnt in year 10.	• Topic brainstorming – identifying elements of interest and relevance • Observational drawing • Artist analysis • Exploring materials, techniques and processes • Reviewing and evaluating work as it progresses - written annotations • Responding to the work of artists ideas, styles, techniques and composition. • Create informed and refined ideas • Plan and produce final outcome.	Individual tasks set by teachers. We would expect at this stage in the GCSE that students will also be able to self-direct extension work and be more independent. STEPPING UP activities on Firefly
Half Term 2 (Nov-Dec)			
Half Term 3 (Jan-Feb)	EXTERNALLY SET ASSIGNMENT: Students will receive a paper with choices of topics. In the lessons that lead up to the exam they will cover the content to the right. At the end of this period (which is usually 11-12 weeks) they will complete a 10-hour exam.	• Topic brainstorming – identifying exam theme to pursue. • Identify and source interesting and relevance starting points • Observational drawing • Artist analysis • Responding to the work of artists ideas, styles, techniques and composition. • Exploring materials, techniques and processes • Reviewing and evaluating work as it progresses - written annotations • Plan final outcome • Complete final outcome in exam	
Half Term 4 (Feb-Mar)			
Half Term 5 (Apr-May)			
Examples of PPR Tasks	• Research and explore suggested artists • Complete observational drawings/ take photographs and collect sources. • Develop composition ideas • Review your sketchbook and set individual targets of your own.		
Assessment Tasks, Methods & Frequency	• One to one verbal feedback in lessons • Regular peer and self-assessment in lessons • Skills and knowledge-based learning checks every term • Deep marking every term of coursework and PPR		
Equipment That Students Need	Essentials: Students should have their Art packs from last year but will need to top up depleted resources. Some students may need to buy a new sketchbook Desired: In addition to the Art packs a set of acrylic paints would be really useful		
Parents / Carers can help their child by:	• Ensure students bring their equipment and sketchbook to every lesson. • Encourage students to visit galleries, museums and places of interest. • Ensure your child hands in PPR that reflects their ability – 2 hours a week • Ensure students meet deadlines.		
Useful Websites	www.gettyimages.co.uk www.npg.org.uk www.tate.org.uk www.saatchigallery.com https://www.theartnewspaper.com/ http://www.artnews.com/ https://www.artforum.com/ http://theconversation.com/uk		
Extra-curricular Activities	• After school GCSE club– information to follow. • Possible trip to gallery or museum.		
Who Can I Contact?	Head of Art	Mrs Ward-Mills	
	Teachers of Y11 Art	Mrs Ward-Mills Miss Chana Mrs Joomun	

Woodbridge High School Curriculum Overview

Year 11 – Business (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	Human Resources [complete from Y10] Finance - Sources of finance - Cash flow - Financial terms and calculations - Analysing financial performance	<u>CGP Revision Guide</u> Unit 6 <u>Seneca Learning</u> 6.1 to 6.4 Firefly Resources
Half Term 2 (Nov-Dec)	Revision and preparation for Mock Exam (GCSE Paper 1 plus Finance): - Unit 1: Business in the real world - Unit 2: Influences on business - Unit 3: Operations - Unit 4: Human Resources - Unit 6: Finance	Revision Guide (CGP: GCSE AQA Business for the Grade 9-1 Exams – Complete Revision & Practice)
Half Term 3 (Jan-Feb)	Finance [complete] Marketing - Identifying and understanding customers - Segmentation	<u>CGP Revision Guide</u> Unit 6 <u>Seneca Learning</u> 6.1 to 6.4 Firefly Resources
Half Term 4 (Feb-Mar)	- The purpose and methods of market research - Elements of the marketing mix - Using the marketing mix: product and pricing - Promotion and distribution	<u>CGP Revision Guide</u> Unit 5 <u>Seneca Learning</u> 5.1 to 5.6 Firefly Resources
Half Term 5 (Apr-May)	Revision	

Examples of PPR Tasks	- Case studies, research project and wider reading. - Exam style questions - Knowledge based questions
Assessment Tasks, Methods & Frequency	- End of unit tests on completion of each unit - Knowledge based learning checks on each topic
Equipment That Students Need	Exercise books, different coloured biro pens, pencil, ruler, rubber, calculator, homework planner, access to AQA GCSE textbook.

Parents / Carers can help their child by:	- Ensuring PPR is completed on time and to best of student's ability. - Being aware of current targets and facilitate achievement.
Useful Websites	www.bbc.co.uk/schools/gcsebitesize/ www.senecalearning.com
Extra-curricular Activities	- Wider reading – Reading the business section on BBC news or other newspapers/online - Department-run revision sessions

Who Can I Contact?	Head of Business	Mr Pazik
	Teachers of Y11 Business	Ms Hamid Mr Pazik

Woodbridge High School Curriculum Overview

Year 11 – Child Development (Cambridge National)

	Curriculum Content	Coursework
Half Term 1 (Sep – Oct)	R057 – Health & Wellbeing for Child Development LO1 - Preconceptual care (Revisit work from Year 10 summer term) Types of Contraception The structure and function of the reproductive systems Signs and symptoms of pregnancy	Exam preparation using revision and activity guides, past papers and other exam related activities and resources.
Half Term 2 (Nov-Dec)	LO2 – Antenatal care and preparation for the birth of the baby. Signs of labour Stages of labour Pain relief in labour Role of supporting partners and health professionals	Exam preparation using revision and activity guides, past papers and other exam related activities and resources. Mock exam in November
Half Term 3 (Jan-Feb)	LO2 – Antenatal care and preparation for the birth of the baby. Signs of labour Stages of labour Pain relief in labour Role of supporting partners and health professionals LO3 – Postnatal care and conditions for the development of the baby/child.	Exam preparation using revision and activity guides, past papers and other exam related activities and resources. Mock exam in February
Half Term 4 (Feb-Mar)	LO4 – Childhood illness and creating a safe environment for development.	Exam preparation using revision and activity guides, past papers and other exam related activities and resources.
Half Term 5 (Apr-May)	REVISION	

Examples of PPR Tasks	Exam style question and answer
Assessment Tasks, Methods & Frequency	- End of unit mock exams - Marking of H/L questions
Equipment	Stationery Equipment: pens, pencils, ruler, Revision & Activity Guide

Parents / Carers can help their child by:	- Time management of revision - Purchasing revision/activity books
Useful Websites	www.nhs.uk/Tools/Pages/birthtofive.aspx/close www.ask-nanny.com/child-development.html www.kidshealth.org
Extra-curricular Activities	- Revision Session - Lunch time and afterschool help session - Trips: Westfield for Primary Research

Who Can I Contact?	Head of Health and Social Care	Ms Griffiths
	Teachers of Y11 Child Development	Ms Payne

Woodbridge High School Curriculum Overview

Year 11 – Computer Science (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	How to investigate and discuss Computer Science technologies while considering: -ethical issues -legal issues -cultural issues -environmental issues -privacy issues. Legislation relevant to Computer Science: Computational Thinking: Standard Search Algorithms: Standard Sorting Algorithms: How to produce Algorithms using: Interpret, Correct or Complete Algorithms	https://www.codecademy.com/
Half Term 2 (Nov-Dec)		https://www.codecademy.com/learn/learn-sql https://www.cambridgecseccomputing.org/
Half Term 3 (Jan-Feb)	The use of records to store data The use of SQL to search for data The use of arrays (or equivalent) when solving problems, including both one- and two-dimensional arrays Why data is represented in computer systems in binary form Simple logic diagrams using the operations AND, OR and NOT Truth tables Combining Boolean operators using AND, OR and NOT to two levels. Applying logical operators in appropriate truth tables to solve problems	Book of Programming challenges – see how many you can code Projecteuler.net
Half Term 4 (Feb-Mar)	characteristics and purpose of different levels of programming language, including low-level languages The purpose of translators The characteristics of an assembler, a compiler and an interpreter Common tools and facilities available in an integrated development environment (IDE):	Revision workbook CGP Cambridge Computer Science Book
Half Term 5 (Apr-May)	Revision for exams	

Examples of PPR Tasks	Practice programming skills to prepare for NEA Cambridge Computing Science Student Book to work through
Assessment Tasks, Methods & Frequency	End of unit tests Practice NEA – to be completed in lesson time board scenario.
Equipment That Students Need	Pen, pencil, ruler eraser Cambridge Computing Science Student Book CGP Computer Science Book

Parents / Carers can help their child by:	Email contactcomputing@woodbridgehigh.co.uk if you have questions/queries
Useful Websites	www.teach-ict.com (Username ig87dq Password: memory6) http://www.codecademy.com/#!/exercises/0 https://www.khanacademy.org/coach/dashboard https://www.cambridgecseccomputing.org/ (log in with your unique username and password from your book)
Extra-curricular Activities	- Watch BBC Click (available online on BBC iPlayer) each week http://www.computerweekly.com/ - Code Club at Feeder Primary Schools–volunteer to help teach KS2 pupils to code

Who Can I Contact?	Head of Computing and IT	Mr Brock-Carey
	Teachers of Y11 Computer Science	Mr Brock-Carey Ms Mitchell

Woodbridge High School Curriculum Overview

Year 11 – Cambridge National in Information Technologies

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	R050: IT in the digital world & R070: Using Augmented Reality to present information In this R050 you will learn about design and testing concepts for creating an IT solution or product, and the uses of IT in the digital world.	Use additional time beyond lesson to collect third-party assets & develop original images/multimedia to be incorporated into your work
Half Term 2 (Nov-Dec)	R070: Using Augmented Reality to present information In this R070 you will learn how to design, create, test and review an Augmented Reality model prototype to meet a client's requirements.	
Half Term 3 (Jan-Feb)	R050: IT in the digital world & R070: Using Augmented Reality to present information	
Half Term 4 (Feb-Mar)	R050: IT in the digital world revision	
Half Term 5 (Apr-May)	R050: IT in the digital world revision	

Examples of PPR Tasks	Research appropriate sound/video clips to be used within your project / investigate the copyright constraints related to use of images on your digital product. Design a house style to be used throughout your project development
Assessment Tasks, Methods & Frequency	Feedback to pupils during preparation & skills prior to Controlled Assessment task for each unit. Written feedback 3-4 weeks. Controlled Assessment – 10 hours of lesson time for pupils to complete set exam board scenario.
Equipment That Students Need	Pen, pencil, ruler eraser

Parents / Carers can help their child by:	- Stick Coursework deadlines schedule to the fridge & discuss with pupils as deadlines approach - Purchasing revision guide & student workbook (discount available via school) - Email contactcomputing@woodbridgehigh.co.uk if you have questions/queries
Useful Websites	www.teach-ict.com (Username: ig87dq Password: memory6) - BBC Bitesize www.reviseict.co.uk
Extra-curricular Activities	Watch BBC Click (available online on BBC iPlayer) each week

Who Can I Contact?	HOD Computing	Mr Brock-Carey

Woodbridge High School Curriculum Overview

Year 11 – Design & Technology: Graphics Pathway (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	NEA: Developing Design Ideas and making a high-quality product. Recording and evidencing modelling and manufacture in a production log. Theory content: Specialist Topics: .1 and .2 contexts, sources, origins and properties .3 material selection	Learn the Core Revision and Papers and Board theory in the Revision Booklets from the Achievement Bag
Half Term 2 (Nov-Dec)	NEA: Designing, developing and making a high-quality product. Recording and evidencing modelling and manufacture in a production log. Theory content: Specialist Topics: Revision for Mock Exam .4 forces & stresses/strengthening	BBC website: GCSE Bitesize
Half Term 3 (Jan-Feb)	NEA: Completion of high-quality product. Evaluation and testing of completed product. Theory content: Specialist Topics: .5 stock forms .6 manufacturing processes	
Half Term 4 (Feb-Mar)	NEA: Completion of high-quality product. Evaluation and testing of completed product. Life Cycle Analysis of final product. Theory content: .7 specialist techniques/surface finishes Revision all Core and Specialist Topics	- Wider reading of card manufacturing processes. - Production of Questionnaires. - Conducting surveys. - Analyzing data. - Review of past examination papers. - BBC website and other online resources. - research on the Lamination of Card. - Printing processes.
Half Term 5 (Apr-May)	Theory content: Revision all Core and Specialist Topics in preparation for GCSE final exam	

Examples of PPR Tasks	Practice exam questions, revision or pre-reading of a topic, research linked to the current project and wider reading around a themed topic.
Assessment Tasks, Methods & Frequency	Retrieval practice and controlled assessments run regularly and mock exams as appropriate.
Equipment That Students Need	General drawing equipment, Core and Papers and Boards Revision Booklets

Parents / Carers can help their child by:	- Encouraging students to attend interventions where necessary - Ensuring that pupils read regularly and widely text around advancements in smart materials and manufacturing. - Encouraging students to use their revision booklet for the course. - Encouraging students to practice CAD (Computer Aided Design) drawings using Inventor (free software from https://www.autodesk.com/education/free-software/inventor-professional)
Useful Websites	https://www.bbc.com/bitesize/examspecs/zb6h92p https://www.autodesk.com/education/free-software/inventor-professional
Extra-curricular Activities	- Study support sessions at lunchtime & after school. - Encouraging students to read Design supplements in newspapers. - Visit museums – - Design Museum - Science Museum - The British Museum - Museum of Brands, Packaging & Advertising - Victoria & Albert Museum

Woodbridge High School Curriculum Overview

Year 11 – Drama (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	Component 1: Devising Theatre Students will begin the year with an introduction to devising in groups. They will then move on to create a performance and portfolio of component 1. Within this component students will Steven Berkoff. Students will be expected to develop and perform an original piece and then move on to discuss the process of devising and evaluate their performances.	Experiencing drama is the best way to develop and extend ideas. Visiting the theatre is a great extension to the in-class experience. There are many performances both locally and beyond that capture and show new ideas and ways to tell stories.
Half Term 2 (Nov-Dec)	Component 3: Live Theatre Review (10%) Students will visit the theatre to watch a live performance. This is a compulsory and integral part of the course. Students will explore the lighting, sound, set and costume design of the show as well as the methods that performers use to deliver the story. The theatre review will form section B to the written exam.	One of the easiest to access is Redbridge Drama Centre.
Half Term 3 (Jan-Feb)	Component 2: Performing from a text (20%) Students will perform scenes from various play texts and will be assessed practically on the development of character and performance skills on stage. Students will be asked to consider the artistic aims of the text and communicate this through a written explanation. They performance will be externally assessed by a visiting examiner.	Alongside visiting is to take part in extra-curricular drama both in school and outside. We run lunchtime and after-school clubs.
Half Term 4 (Feb-May)	Component 3: Interpreting Theatre In this unit students will study a set text; DNA by Dennis Kelly. This will be explored both through practical and written avenues. Written analysis will be in the form of notes, reflections and reviews in preparation for an exam. This component will be assessed through a written exam. Students will also refresh and revise their live theatre reviews. This component will be assessed through a written exam set by the exam board.	We offer opportunities to perform in school and hope to continue this. This includes the annual school production.

Examples of PPR Tasks	Research and develop knowledge of the skills, characters roles Theatre trips Learning lines, planning performances, Rehearsal and development of performance
Assessment Tasks, Methods & Frequency	All Schemes of Learning have an end performance that is assessed. Within class we reflect on what has been created and discuss how skills and techniques could be further developed.
Equipment	Asked to bring in props to enhance a performance

Parents / Carers can help their child by:	- Visit the theatre or watching these on television - Help with the learning of lines and present the monologues and scenes to you - Identify potential props that could be used in a performance
Useful Websites	www.bbc.co.uk/schools/gcsebitesize/drama/drama_wjec www.vam.ac.uk/page/t/theatre-and-performance/ www.nationaltheatre.org.uk/discover-more www.redbridgedramacentre.co.uk/
Extra-curricular Activities	- Lunchtime and After-school Clubs - Whole school production - Theatre trips

Woodbridge High School Curriculum Overview

Year 11 – Music (GCSE)

	Curriculum Content	Suggested Reading or Extension Activities
Half Term 1 (Sep – Oct)	- Preparation of ensemble performance coursework. - AoS2 'The Concerto Through Time' (Introduction to Solo Concerto, Baroque Concertos, Classical Concertos)	Throughout the course: - Instrumental practice - Listening to a wide range of music with a focus on the styles studied - Teoria.com
Half Term 2 (Nov-Dec)	- Recording of ensemble performance coursework. - AoS2 'The Concerto Through Time' (Romantic Concerto, Concerto Grosso, End of Unit Assessment) - Start of 2nd Composition.	OCR GCSE Revision Guide
Half Term 3 (Jan-Feb)	- Continue work on 2nd Composition. - Revision of all Areas of Study. - Further development of listening and exam skills.	Practicing and rehearsing for Ensemble Performance
Half Term 4 (Feb-Mar)	- Final deadline for all coursework. - Revision of all Areas of Study. - Further development of listening and exam skills.	Composition (at school only)
Half Term 5 (Apr-May)	- Revision of all topics. Practice exam papers. - Final listening exam.	

Examples of PPR Tasks	- Writing 9 mark essays using MADTSHIRT - Practice exam questions - Listening to studied genres.
Assessment Tasks, Methods & Frequency	- Progress test at the end of each scheme of work - Mock papers at least once a term - Feedback on coursework progress.
Equipment That Students Need	- Folder - Stationary (including whiteboard pen) - Instrument

Parents / Carers can help their child by:	- Using Youtube/Spotify to listen to examples of music from all Areas of Study. - Revising key terms and musical vocabulary e.g. using flashcards - Listening to and helping organise instrumental practice (recommended 20 minutes a day) - Purchasing Rhinegold OCR GCSE Music Revision Guide. - Encouraging them to use an afterschool Period 6 to complete composition coursework
Useful Websites	- www.teoria.com (for aural practice) - BBC Bitesize - Youtube or Spotify for listening to studied genres.
Extra-curricular Activities	Please see extra-curricular music timetable – it is compulsory for all GCSE students should attend at least one ensemble. Choir is particularly useful for practicing listening skills. Those who attend ensembles generally gain higher grades in GCSE Music.

Who Can I Contact?	Head of Music	Mr Archer
	Teachers of Y11 Music	Mr Archer Mrs Brock-Carey

Woodbridge High School Curriculum Overview

Year 11 – Physical Education (Core)

	Curriculum Content	Suggested Reading or Extension Activities
CNAT and GCSE students will spend Core time in groups developing their performance in preparation for practical assessments. All other students will be offered a range of activities and they may change groups and teachers throughout the year.	GCSE Students Students to rotate sports throughout the year. Lessons will focus on development of skill, technique and gameplay as these are the areas students will be assessed in.	There is an expectation that all CNAT and GCSE students regularly attend extra-curricular clubs to continuously develop their skill and fitness levels. Extra-curricular clubs are open to all and it is our preference that students continue to engage with these throughout KS4. In addition, with Yr11 students we would be looking to engage them in teaching/coaching/leadership opportunities. If any students are interested in this please speak to Mr Smith.
	Core and CNAT Students Students will be given more autonomy around their learning at KS4. Within the remit of our resources and facilities, it is our aim as a department to use this time to prepare students for lifelong participation in physical activity. Students will be allocated a teacher for each group and stay with them all year. They will follow a set pathway that mirrors KS3 to continue to develop a love for physical activity	

Examples of PPR Tasks	PPR is not set for core PE.
Assessment Tasks, Methods & Frequency	There are no formal assessments within KS4 core PE. There will be formative assessment through staff feedback.
Equipment That Students Need	Students should continue to wear appropriate WHS PE kit. There may be activities that require different kit. If this is the case the teacher leading the activity will give prior notice.

Parents / Carers can help their child by:	• Help students maintain a healthy, active lifestyle at home, • Ensure students engage with the department and the activities on offer, • Encourage pupils to continue attending extra-curricular sessions, • Engage with external providers of sport and activity, If a student is unable to take part in a lesson this must be communicated to the teacher in advance of the lesson.
Extra-curricular Activities	By year 11 students should be familiar with the extra-curricular offering at WHS. If students would like to engage with a broader offering, they should speak to teachers who can point them in the right direction of a local provider.

Who Can I Contact?	Head of PE	Mr Mahoney
