

ADVERTISEMENT FOR PARENT GOVERNOR: AUTUMN TERM 2026

The school presently has one vacant Parent Governor post to fill. Nominations are invited from parents/carers to fill this position based on a term of office of four years.

We are striving to ensure that our Governing Body is reflective of the diversity of our school and wider community, as we recognise that this will improve decision making and give our students strong role models. We are aware that our current Governing Body does not yet fully reflect this diversity. We welcome applications from all parents/carers regardless of background, and we are particularly interested in increasing representation of People of Colour within our community.

Full details concerning the role of the Parent Governor and how to apply can be found in the attached letter. The Nomination Form for you to complete is also attached.

Click here for the nomination form: [Nomination Form - Parent Governor Vacancy, Woodbridge High School – Fill in form](#)

Hard copies of these documents can be requested from the school office on telephone number 020 8504-9618. If you have any questions regarding this vacancy, please email the school: Governorelections@woodbridgehigh.co.uk

Please note that the deadline for nomination forms to be received by the school is **3.15pm on Monday 9th November 2026.**

Note: If only one nomination is received from parents/carers, the applicant will immediately be appointed on receipt of two satisfactory references. If more than one nomination is received, a ballot of parents/carers will take place further to the above deadline. The parents/carers who receive the most votes will then be appointed subject to receipt of two satisfactory references.
